Castle Danger Wastewater

RESIDENTIAL Customer Application for Wastewater Connection and Service

Customer Name: _____ Parcel ID to connect: _____

Contractor Name and Phone _____

Mailing Address: _____ Address to be connected (if different) _____

Mobile Phone Nbr: _____ Email: _____

1. The above-named customer states that they are the owner(s) of real estate within the Castle Danger Subordinate Service Area and request(s) connection to the wastewater collection system.
2. The building(s) to be served is ☐ residential. (includes vacation rental houses)
3. This application must be accompanied by the following documents:
 - ☐ Deed of ownership to the property to be served by the wastewater collection system.
 - ☐ Survey of the property showing corners and five-foot contour lines for the topography.
 - ☐ Drawing showing the new building location. Include architectural drawings if possible.
 - ☐ Copy of submitted Lake County Land Use Application.
 - ☐ Non-refundable application fee of \$550 -check payable to Town of Silver Creek.

After Town review, upon approval to connect to the CDSSD wastewater system, the Wastewater Operator will create a written estimate of the full cost of installation and connection.

The above-named customer/owner understands and agrees to the following:

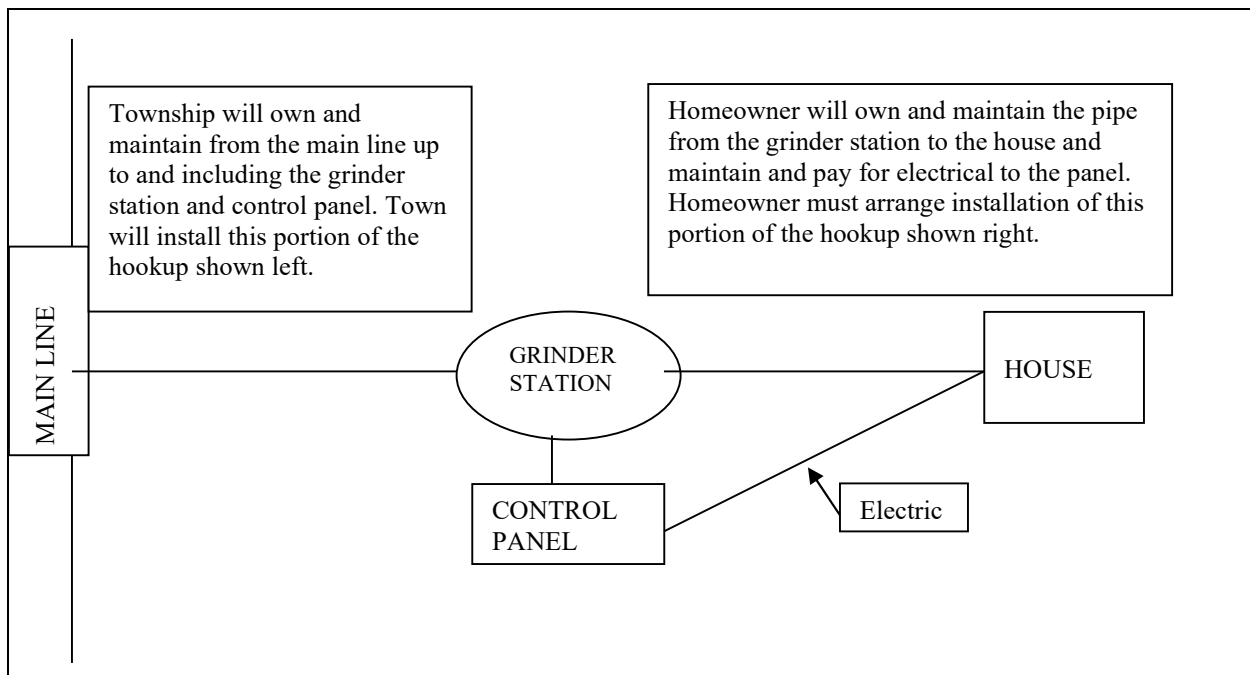

1. To pay a one-time sewer access charge as follows:
 - a. \$8,000 for residential connections
2. To pay, prior to installation, the full cost of connection as totaled on the written estimate.
3. To pay after installation, any additional costs actually incurred, such as for blasting or boring through rock. Should the actual cost be less than the written estimate, Town will refund to customer the difference.
4. To pay an electrician to install electrical service from the building to the new sewer pump panel. Customer also agrees to maintain and pay for this electrical service after installation.

Castle Danger Wastewater

5. To allow placement of the grinder station in a location accessible at all times to the township's service truck or other equipment. Customer agrees that duly authorized employees of the Town shall be permitted to enter the property for maintenance, inspection, or repair of the wastewater system. Further, customer agrees to sign an easement to the Town of Silver Creek to install, operate, maintain, replace or remove such portion of the sewer line and or appurtenances as may be located on the property.
6. To allow the installation of a water meter or other mechanisms if deemed necessary by Town.
7. To indemnify the Town from any loss or damage that may directly or indirectly be occasioned by the connection to and service of the wastewater collection system.
8. That the service provided is subject to Town of Silver Creek Ordinances No. 98-1 and 98-2, as amended from time to time, and all Town Resolutions, rates, rules and regulations applicable to such service.
9. That delivery of sewer service by the Town of Silver Creek shall run to the grinder station. The Town shall install the system to that point as shown in the diagram below. Town shall be responsible for maintenance to the point of the grinder station. Customer shall be responsible for installation of lines running from grinder station to house or commercial building as shown below. Customer is responsible for maintenance and repair of that portion of the system.

I understand and agree to all terms above.
